Golf Outing-Pat Stout

- Date 7-20-18 Purgatory Golf Course
- We currently have 20 players signed up, not counting Troyer Group.
- Early bird registration (saving each player \$10) ends Friday.
- We have a month exactly until the outing and just over 3 weeks left for player and sponsor sign ups. Last year we had enough players for 8 teams (currently at 5 and 6 with TG).
- Our sponsorships have been down from my end, but I believe there have been more annual sponsors that included golf items in the higher packages. I need to do some follow ups this week, but sponsors are where we make money so this needs to be pushed.

- We always need players and additional firms so any members of the EC with these firms should remind co-workers. The outing will not survive in the future unless these numbers improve. We can't have 4-5 teams of vendors and hope for the same 3-4 teams of designers and assume that our sponsors are going to keep shelling out money for no apparent reason. It's just not sustainable and I'm at a loss of what to do as I've followed up with firms the past 3 years to no avail. I will do so again this year (Browning Day, Context, Ratio, HWC). Maybe our approach needs to change, but that's another conversation for another day.

- We could use a couple volunteers for the day of to help with morning registration and then awards social set up. I know you've helped in the past, but one other would probably be helpful.
